

# On My Mind

Donavon Frankenreiter

Oh baby let's get down tonight  
Every time we do it just feels so right  
Lets go sit underneath that willow tree  
Oh baby just you and me

Even though I can't see you all the time  
I got to let you know you're on my mind  
Even though I can't see you all the time  
I got to let you know you're on my mind

Girl you're on my mind, on my mind again  
On my mind, on my mind again  
You're on my mind, on my mind again  
But I got to let you know that ill never let you go

You take those clouds and make a sunny day  
I love to watch you do it just your own way  
You take my day into night  
You still give me all that loving light, loving light, yeah

Even though I can't see you all the time  
I got to let you know you're on my mind  
Even though I can't see you all the time  
I got to let you know you're on my mind

Girl you're on my mind, on my mind again  
Woman don't you know  
You're on my mind, you're on my mind again  
Oh I got to let you know  
You're on my mind, you're on my mind again  
Because you're on my mind, on my mind again
