

All About You

Donell Jones

There's nothing I won't do just to please you
Cause for you I would out of my way
I'd walk a million miles just to see you
Cause I'm willing to go that far no matter where you are

No matter how far you are
Whatever it takes to see you
Cause it's all about you
Through the storm
Through the rain
Whatever it takes to see you
Cause it's all about you

There's nothing in this world I can't give you
Cause you found this special place in my heart
I'd swim a thousand seas just to be with you
Cause I'm willing to go that far no matter where you are

Through the storm, through the rain
Giving you everything. It's all about you
Whatever it takes giving you everything
It's all about you
Cause it just don't matter
Whatever it takes
It just don't matter
Cause it's all about you
