Don't Leave

Donell Jones

Don't leave, 'cause I really want to love you So what you want to do, I gotta be with you tonight Don't leave, 'cause I really want to love you So what's it gonna be I need you here with me tonight

Don't leave, 'cause I really want to love you So what you want to do, I gotta be with you tonight Don't leave, 'cause I really want to love you So what's it gonna be I need you here with me tonight

Won't you lay next to me Got something special for you baby (Now what's it gonna be) (I need you next to me) Got the room dressed in red And setup for two, yeah Ooh what I want to do to you, whoa (Let me do things that'll turn you on) So don't you try to fight it, girl I promise you gon' like it I got plans for you, for what I'm ready to do So let me taste your love, girl don't you leave

Don't leave, 'cause I really want to love you So what you want to do, I gotta be with you tonight Don't leave, 'cause I really want to love you So what's it gonna be I need you here with me tonight

(Check it out now)
Place some sugar on me
I'll put some honey on you
(It's a sticky situation that we 'bout to get in to)
First, kiss you on your navel, slowly work it down
I'm fiendin' for your love
I gotta have it now
(Girl what's your pleasure, I'm down to do whatever)
And when you think it's done, girl I've only just begun
I've got plans for you
For what I'm ready to do
(So let me taste your love)
Girl, don't you leave

Don't leave, 'cause I really want to love you So what you want to do, I gotta be with you tonight Don't leave, 'cause I really want to love you So what's it gonna be I need you here with me tonight

Don't you leave me, don't you leave me Don't you leave me tonight I've been waiting for your love Baby, don't you leave me, don't

Don't you leave me, don't you leave me

Don't you leave me tonight I gotta have your love 'cause I need your love, don't leave

Don't you leave me, don't you leave me Don't you leave me tonight Anything you want to do Gonna give it all to you, don't you leave

Don't you leave me, don't you leave me Don't you leave me tonight So let me taste your love Girl, don't you leave

Don't leave, 'cause I really want to love you So what you want to do, I gotta be with you tonight Don't leave, 'cause I really want to love you So what's it gonna be I need you here with me tonight
