

U Know What's Up

Donell Jones

Ooh...say what, say what, say what
Ooh...girl, you know what's up
Ooh...say what, say what, say what
Ooh...girl, you know what's up

Me and my niggaz be rolling
Trailing on you and your homies
The very first day of summer
All chromed out in a hummer, babe
Hit the park and parlay
Hope that you're off, 'cause you're awake
'Cause you and your girls wanna ride
Play all day puff on the lye

Ooh...say what, say what, say what

Ooh...girl, you know what's up

Ooh...say what, say what, say what

Ooh...girl, you know what's up

I'm digging you, I'm feeling you
And you know what's up
Said I'm big on you and I'm wanting you
So tell me what's up

We are five when I'm zoning
Running around two in the morning
Looking fly with that sun dress on
I think I feel a bone coming on
Girl, you got me wide open
Fiending all day and I'm hoping
So baby don't front
Backseat jeep, you know what I want

Oh yeah, whoa, whoa, whoa...
Digging you, you got me big on you
