Waiting on you I'm not going to I won't be waiting on you no more Waiting on you I'm not going to I won't be waiting on you no more I know you're getting tired Of what I put you through But it's not the same way That's what I used to do Now I want you back So, girl, I've changed my ways Please stop frontin' on me Why you want to do me this way I can take it (Oh... Yeah) I can fake it (I won't be playin' no more) Why can't you just believe That things are different now I'll do whatever it takes Let me show you how There will never be No other girl for me Just give me one more chance You know I'll make it last I can take it (Oh... Yeah) I can fake it (I won't be playin' no games) Break it down... Why do you want to do this to me Oh, oh... Yeah, yeah, yeah...

Ain't gonna wait, ain't gonna wait, waiting for you
