Love sex take off your clothes what's next
I know she want it, she gotta get it
She all up on it I know she with it
Love sex take off your clothes what's next

Take your body out of them clothes cause it's hot in here
We can make love on the floor cause I'm adventurous
Dam I know you want it, I know you need it
You hear me calling and I know you see me
Cause I want sex from you, you already know
If you give it up I'll treat it like a pot of gold
I know you want me cause you really like me
Anyway you wanna flow, come on entice me

Love sex take off your clothes what's next
I know she want it, she gotta get it
She all up on it I know she with it
Love sex take off your clothes what's next

Analyze you from head to toe girl that body sick
Jeans so tight like they painted on, strike a pose for me
Dam, you know I want it, you know I need it
You hear me calling and I know you see me
Cause I want sex from you, you already know
If you give it up I'll treat it like a pot of gold
I know you want me cause you really like me
Anyway you wanna flow, come on entice me

You're so fly come on don't give me the blues
Girl let's jump in this bed ain't nothing to lose
Don't be hesitating I wanna blaze it
I gotta see you naked take it of baby
Undress after that you know what's next

Don't get me started I'm naughty bout to take it off
Let's hit the sheets I'm gone give you the key to open up
Pandora's Box
I'm gone give you what you want hit the bed the floor the closet
I'm gone jump on it baby see what u got I'm a freaky lady bet I
Take it all

Love sex take off your clothes what's next
I know she want it, she gotta get it
She all up on it I know she with it
Love sex take off your clothes what's next

I know she want it, she gotta get it
She all up on it I know she with it
