Yeah, let's go through this one more time
You do your thing and I'll do mine

To change the ways that you can't stand
And if it ain't good enough for superman
He ain't good enough for mine

Superman (Superman), Superman (Superman), Superman
Yeah let's go through this one more time
You do your thing and I'll do mine
Well honey baby, we've gotta draw the line
Your hang up is messin' with mine
All I can do is the best I can
To change the ways that you can't stand
And if it
