

I Love You Always Forever

Donna Lewis

1. Feels like, I'm standing in a timeless dream
Of light mists, of pale amber rose
Feels like, I'm lost in a deep cloud of heavenly scent
Touching, discovering you.

2. Those days, of warm rains come rushing back to me
Miles of windless, summer night air
Secret moments, shared in the heat of the afternoon
Out of the stillness, soft spoken words
(say it, say it again)

R: |: I love you always forever
near and far closer together
everywhere I will be with you
everything I will do for you :|

3. You've got the most unbelievable blue eyes I've ever seen
You've got me almost melt away
As we lay there under blue sky with pure white stars
exotic sweetness a magical time
(say it, say it again)

R:

Say you'll love love me forever
never stop not for whatever
near and far and always
and everywhere and everything
Say ...
