

All Systems Go

Donna Summer

If you're ready to fall in love
Here's the thing you've been dreaming of
Scientific fact that you should know

If you're ready to give your heart
And you don't know which way to start
And you're afraid you'll go against the flow

Ask anyone who's ever been given the blow
If you'll know when all systems are go

All systems go, ohoohoooh
All systems go, ohoohoooh
All systems go, all systems go
All systems go, oo oh oo oh
All systems go, all systems go
All systems go, oo oh oo oh

Is your mind in computer mode?
And all your senses in overload
And all controls for take off in your hands

200,000 watts of my love are starting to glow
Let you know that all systems are go

All systems go, ohoohoooh
All systems go, ohoohoooh
All systems go, all systems go
All systems go, oo oh oo oh
All systems go, all systems go
All systems go, oo oh oo oh

You're on a one way trip to the sun
Your heart's on fire and you're ready to run
Faster now faster, we're headin' out for planet Mars
Love on sudden impact, everything's under control
And all systems are go

All systems go, ohooh oooh
All systems go, ohooh oooh
All systems go, all systems go
All systems go, oo oh oo oh
All systems go, all systems go
All systems go, oo oh oo oh
