

I Don't Wanna Get Hurt

Donna Summer

I don't need all my friends to tell me
Things that I already know
Like in the best of all worlds
You shouldn't forget self-control

Don't say I don't know what I'm doing
'cos he said "it's more than a feeling"
And I said "I need you too"
Am I just a fool?

I don't wanna get hurt
I don't wanna get hurt
I'm not looking for just another heartache
I don't wanna get hurt
But I know it's a change I've got to take

I don't need all my friends to remind me
Mistakes that I've already made
I just leave the past behind me
And go on believing that I'll be okay

Some thing are only human
And he said he'd always need me
And I said "I want you too"
Am I just a fool?

I don't wanna get hurt
I don't wanna get hurt
I'm not looking for just another heartache
I don't wanna get hurt
But I know it's a chance I've got to take

Just another heartache

I don't need all my friends to tell me
Things that I already know
Like in the best of all worlds
You shouldn't forget self-control

Don't say I don't know what I'm doing
And he said "it's more than a feeling"
And I said "I need you too"
Am I just a fool?

I don't wanna get hurt
I don't wanna get hurt
I'm not looking for just another heartache
I don't wanna get hurt
But I know it's a chance I've got to take

I don't wanna get hurt
I don't wanna get hurt
I'm not looking for just another heartache
I don't wanna get hurt
But I know it's a chance I've got to take

I don't wanna get hurt

I don't wanna get hurt
I'm not looking for just another heartache
I don't wanna get hurt
