

If You Got It Flaunt It

Donna Summer

You'll never compete with the others!
Why, look at the way you're dressed!
Come on now, get yourself together!

Baby if you got it
You have got to flaunt it now
Baby if you flaunt it
You can make them want it now baby
Yes, I got it
And I'm gonna flaunt it now
Gonna make him want it
Yeah I'm gonna flaunt it now

Sister thinks she's got it
And she's gonna flaunt it now
(Who do you think you are?
Who do you think you are?)

Sister thinks she's got it
And she's gonna flaunt it now
(Who do you think you are?
Who do you think you are?)

Sister thinks she's got it
And she's gonna flaunt it now
(Who do you think you are?
Who do you think you are?)

All you catty creatures,
I've got my better features too
So step aside you leeches,
I'm gonna teach a little trick to you

Baby if you got it
You had better flaunt it now
Baby if you flaunt it
You can make him want it now
Baby yes, I got it
And I'm gonna flaunt it now
Gonna make him want it
'Cause I'm gonna flaunt it now

Sister thinks she's got it,
And she's gonna flaunt it now
(Who do you think you are?
Who do you think you are?)
Sister thinks she's got it,
And she's gonna flaunt it now
(Who do you think you are?
Who do you think you are?)
Sister thinks she's got it,
And she's gonna flaunt it now
(Who do you think you are?
Who do you think you are?)

All you catty creatures
I've got my better features too

Step aside you leeches
'Cause I can teach a trick to you

I can teach you how to walk and talk
How to hold you head high
And I can flaunt my stuff as good as anybody else
I can shake my hip, or my thigh
I'll make you wanna run someplace and hide
'Cause I got it, and I'm gonna flaunt it

Sister thinks she's got it
And she's gonna flaunt it now
(Who do you think you are?
Who do you think you are?)
Sister thinks she's got it
And she's gonna flaunt it now
(Who do you think you are?
Who do you think you are?)

All you catty creatures
You've gotta get out of my way right now
Step aside all you leeches
I've got a trick and I'll show you how

Anyways, I'll teach you a trick or two
