Oh Billy Please

Donna Summer

You said you loved me then why won't you let me be who I am all of the time

Said you wouldn't hurt me then why would you leave me and take my peace of mind ah, ah

Oh, Billy please take my call ah, ah Billy I've tried most of all ah, ah

We've got to stop having this misunderstanding there'll never be another guy

I'm sending this letter hope you're feeling better can't stop this raining from my eyes ah, ah,

Oh, Billy please take my call
ah, ah,
Billy I've tried most of all
ah, ah

Don't be a fool for some lies ah, ah, Billy I've tried over time ah, ah,

If you love me if you love me

Some people say I'm a fool for loving you there's no perfect guarantee and I know you will agree

Oh, Billy please take my call ah, ah Billy I've tried most of all ah, ah

Oh, Billy please take my call ah, ah Billy I've tried most of all ah, ah

Don't be a fool for some lies ah, ah 'cause Billy I've tried more than twice ah, ah hey, hey, ah, ah
