

Stamp Your Feet

Donna Summer

Put your foot down

S-T-A-M-P Stampin' on the ground
S-T-A-M-P Stampin' on the ground
S-T-A-M-P Stampin' on the ground
S-T-A-M-P Stampin' on the ground

Woah, yeah....

I've been round so many times before
Broke my back, been split open so oft
Tried to make it to the finish line
Been knocked down, get up every single time
They're up in your face, they don't think you belong
Man, you got it, you got it goin' on
What breaks the weak just makes you strong
You got game, baby bring it on, bring it on

(And) I said Stamp your feet on the ground
Make it really loud, make the biggest sound
You ain't goin'...
Stamp your feet on the ground
Make it really loud
You ain't going, you ain't goin' down
Stamp your feet on the ground
Make it really loud, make the biggest sound
You ain't goin'...
Stamp your feet on the ground
Make it really loud
You ain't goin', you ain't goin' down

Rain comes in every player's life
Gotta stay in the game, not on the sidelines
Gotta throw down, you gotta stand and fight
Keep your eye on the prize, don't get caught up in strife
Go, go for the shot boy, make that play just right
Braggin' about your swag won't get you through the night

(And) I said Stamp your feet on the ground
Make it really loud, make the biggest sound
You ain't goin'...
Stamp your feet on the ground
Make it really loud
You ain't going, you ain't goin' down
Stamp your feet on the ground
Make it really loud, make the biggest sound
You ain't goin'...
Stamp your feet on the ground
Make it really loud
You ain't goin', you ain't goin' down

S-T-A-M-P You got game
S-T-A-M-P You got fame
S-T-A-M-P You got name
S-T-A-M-P Do that thang
We ain't going down, oh no!
Make me proud! Stand up and fight!

(And) I said Stamp your feet on the ground
Make it really loud, make the biggest sound
You ain't goin'...

Stamp your feet on the ground
Make it really loud
You ain't going, you ain't goin' down
Stamp your feet on the ground
Make it really loud, make the biggest sound
You ain't goin'...

Stamp your feet on the ground
Make it really loud
You ain't goin', you ain't goin' down

Stamp your feet, stamp your feet
Stamp your feet, stamp your feet

S-T-A-M-P! No, no, no, we ain't goin' down
S-T-A-M-P! No, no, no, we ain't goin' down
Right till the ending, we'll make it through life
Better stamp your feet on the...
Stamp your feet on the ground
