

# The Way We Were

Donna Summer

Well you ladies out there  
You know what I'm  
I'm talkin' 'bout ya  
But you wanna know something?  
Did you ever try to remember or  
Or just place up a memory in your mind  
And it always seems so far away  
So hard to find

Memories  
Light the corners of my mind  
Misty water-color memories  
Of the way we were

Scattered pictures  
Of the smiles we left behind  
Smiles we gave to one another  
(oh yesterday) for the way we were

Can it be that it was all so simple then  
Or has time rewritten every line  
If we had the chance to do it all again

Tell me, how many of you would live your lives again  
I would too  
You girls?

Memories  
May be beautiful and yet  
What's too painful to remember  
We simply choose to forget  
And so it's the laughter  
We will remember  
Whenever we remember

The way we were  
The way we were  
Whoaaahhhh
