

# The Woman in Me

Donna Summer

You know baby  
I'm so happy to be here you and I  
And I just wanna let you know  
That I'd follow you to the end of the world  
And just show you that I care  
And I want you to know that  
If you need me I'll always be there

Dancin' close feelin' restless  
It's a slow, sultry night  
It'll be a lifetime 'til sunrise  
If you don't stay with me tonight

I feel your breath caress my shoulder  
As your heart reads my mind  
You don't have to tell me anything  
I can see everything in your eyes

It's so easy with you  
I don't need an excuse  
To be the woman in me  
It's so hard to believe  
That I'm feeling so free  
To be the woman in me

Baby there's so much  
No man has ever touched  
Of the woman in me

But I love you baby, oh

I might be tremblin' but I'm no scared  
It's just my desire, breaking free  
I've never had a chance like this before  
To unlock all the doors to the woman in me

It's so easy with you  
I don't need an excuse  
To be the woman in me  
It's so hard to believe  
That I'm feeling so free  
To be the woman in me

Baby there's so much  
No man has ever touched  
Of the woman in me

Like the dark side of the full moon  
Never shown, what I'm showing to you

It's so easy with you  
I don't need a excuse  
To be the woman in me  
It's so hard to believe  
That I'm feeling so free  
To be the woman in me

It's so easy with you  
To be the woman in me  
It's so easy with you  
To be the woman in me  
It's so easy with you  
To be the woman in me  
It's so easy with you  
To be the woman in me  
It's so easy with you
