

# There Goes My Baby

Donna Summer

All alone I sit  
looking out of the window  
and the rain just keeps coming on down

Well, I cry to myself  
so many things that I have done wrong  
now I'm watching you  
walk out

There goes my baby  
moving on down the line  
wonder where  
wonder where  
wonder where he is bound

I broke his heart  
and I made him cry  
now I'm alone  
so all alone  
what can I do  
what can I do

What can I do  
said I'll sing this sad, sad song

Oh yeah, I broke his heart  
and I made him cry  
now I'm alone  
so all alone  
what can I do  
what can I do

Where is he going?  
how is he?  
what is he going through  
where is he going?  
and what on earth could he be going through

Oh, there goes my baby  
moving on down the line  
wonder where  
wonder where  
wonder where he is bound

I broke his heart  
and I made him cry  
now I'm alone  
so all alone  
what can I do  
what can I do

Where is he going?  
how is he?  
what is he going through  
where is he going?  
and what on earth could he be going through

Oh, there goes my baby  
moving on down the line, oh yeah baby  
come on come

I broke his heart  
and I made him cry  
now I'm alone  
so all alone  
what can I do  
what can I do

Sing this song forever  
till we're back together  
oh, oh, oh
