

# This Time I Know It's for Real

Donna Summer

What would I have to do  
To get you to notice me too  
Do I  
Stand in line  
One of a million  
Admiring eyes

Walk a tightrope way up high  
Write your name across the sky

I'm going crazy just to let you know  
You'd be amazed how much I love you so baby  
When I get my hands on you I won't let go  
This time I know it's for real

Should I write or call your home  
Shout it out with a megaphone  
Radio, TV news  
Got to find a way  
To get my message to you

To say I love you with a neon sign  
Anything to make you mine

I'm going crazy just to let you know  
If I wait too long for you I might explode baby  
I've been around the block enough to know  
That this time I know it's for real

Oh baby  
This time, this time, this time, this time  
Oh baby  
This time, this time

Walk a tightrope way up high  
Write your name across the sky

I'm going crazy just to let you know  
You'd be amazed how much I love you so baby  
When I get my hands on you I won't let go  
This time I know it's for real

I'm going crazy just to let you know  
If I waited too long for you I might explode baby  
I've been around the block enough to know  
That this time I know it's for real
