## Walk On (Keep on Movin')

## **Donna Summer**

```
Walk on
Walk on
Walk on
Keep on walking and don't look back
You gotta keep on down the track
The future's your's to shape and mold
The past is past beyond control
So walk on
Walk on
Baby, walk on
Walk on
Walk on
Walk on
Walk on
You gotta struggle up them hills
To realize the downward thrill
When night confuses where you are
Then just look up at that guiding star
So walk on
Walk on
Baby, walk on
Baby, baby let me walk with you
(Walk on)
Baby, baby, let me walk
(Walk on)
Baby, baby let me walk with you
(Walk on)
Baby, baby, let me walk
(Walk on)
Baby, baby let me walk with you
(Walk on)
Baby, baby, let me walk
(Walk on)
The wind may blow the sky may fall
But if you're strong you'll go through it all
And just as long as your aim is true
There'll come a day your goal's in view
So come on
Baby, baby, let me walk with you
Baby, baby, let me walk
Baby, baby, let me walk with you
(Walk on)
Baby, baby, let me walk
  (Keep on moving)
Baby, baby, let me walk with you
  (Keep on moving)
```

Baby, baby, let me walk
(Walk on)

And when you reach where you belong You'll find it's where you first started from And through it all you're still the same You swear it's them not you who's changed

So walk on, walk on, walk on Keep on moving, keep on moving Keep on moving, keep on moving

Just keep on moving, yeah Walk on
Better keep on moving, yeah Walk on, walk on
Baby, walk on
