

# Who Do You Think You're Foolin'

Donna Summer

You made it to the bright lights  
You only come alive at night  
You're one of the sights

You hang out with those big names  
A rising star out on the gain

That's the price of your fame

(Fame is only a dream land away)

Who do you think you're foolin'  
(you're foolin')  
Who do you think you are  
Who do you think you're foolin'  
You're a star, you're a star  
Who do you think you're foolin'  
(you're foolin')  
Who do you think you are  
Who do you think you're foolin'  
You're a star, such a star, you're a star?

You're halfway up the ladder  
Or are you really halfway down  
You never know in this town  
But you swear you're gonna make it  
And you don't care how you fake your life  
You're gonna make it alright

(Fame is only a dream world away)

Who do you think you're foolin'  
(you're foolin')  
Who do you think you are  
Who do you think you're foolin'  
You're a star, you're a star  
Who do you think you're foolin'  
(you're foolin')  
Who do you think you are  
Who do you think you're foolin'  
You're a star, such a star, you're a star?

Fame is only a dream world away  
Fame is only a dream world away

Who do you think you're foolin'  
(you're foolin')  
Who do you think you are  
Who do you think you're foolin'  
You're a star, you're a star  
Who do you think you're foolin'  
(you're foolin')  
Who do you think you are  
Who do you think you're foolin'  
You're a star, such a star, you're a star?
