

# Bad Guy

Donnie Klang

I really don't know how to say this without hurting you,  
But I gotta let it out cause baby I'm about to burst inside  
Cause you know I'm tryna be real with you  
And I don't feel like we connect like we used to do,  
Things aren't what they used to be.

I, I  
I can't keep on pretending it's all okay.  
Love.  
When my feelings they're just not the same  
I wish we could take it back to a better place

Now both of us know  
We won't make it up  
Don't wanna see you cry  
(Don't wanna see you cry)  
There ain't gonna be no you and me  
Cause I don't wanna cry  
And I don't wanna lie  
(And I don't wanna lie)  
This is how we disappear.

I don't wanna be the bad guy, bad guy, bad guy  
But I gotta be the bad guy, bad guy, bad guy  
I don't wanna be the bad guy, bad guy, bad guy  
But I gotta be the bad guy, bad guy, bad guy  
I don't wanna be the...

Don't get me wrong I love you boo,  
You're my best friend I'll be there for you.  
You know it's true, I care about you,  
But I'm not in love with you.  
Would it be fair to you to act like nothing's wrong?  
That's what I used to do,  
But I just can't do it no more.

I, I  
I can't keep on pretending it's all okay.  
Love.  
When my feelings they just aren't the same  
I wish we could take it back to a better place

Now both of us know  
We won't make it up  
Don't wanna see you cry  
(Don't wanna see you cry)  
There ain't gonna be no you and me  
Cause I don't wanna cry  
And I don't wanna lie  
(And I don't wanna lie)  
This is how we disappear.

I don't wanna be the bad guy, bad guy, bad guy  
But I gotta be the bad guy, bad guy, bad guy  
I don't wanna be the bad guy, bad guy, bad guy  
But I gotta be the bad guy, bad guy, bad guy

I don't wanna be the bad guy, bad guy, bad guy  
But I gotta be the bad guy, bad guy, bad guy  
I don't wanna be the ...

Don't you think that I don't care about you  
Girl, you know that this is hard for me too  
So many nights debating myself,  
But I can't magically help how I feel about you.

Don't you think that I don't care about you  
Girl, you know that this is hard for me too.  
So many nights debating myself,  
But I can't magically help how I feel about you.

We won't make it up  
Don't wanna see you cry  
(Don't wanna see you cry)  
There ain't gonna be no you and me  
Cause I don't wanna cry  
And I don't wanna lie

This is how we disappear
