

Favorite Girl

Donnie Klang

Intro:]

Oohnana oohnana... your my favorite girl I know we don't have a title... we'll see if your future includes me...

See I know it's hard to understand (I know babe) the situation that I'm in... I say I'm gone ain't coming back again... I don't mean it that's why I'm sayin... I know you plan for me to be your man (I know babe)... we should take one day at a time... we'll see (we'll see) if your future includes me (we'll see)... baby you got to know...

Your my favorite girl I know... we don't have title... every night I am thinking bout the time we spent... why does it have to end so soon babe... bottom line is I will be... come roll with me in vip... we'll see if your future includes me... baby you got to know

Girl I know you feeling insecure (I know babe)... the words that I was all yours... you asked me once before... commitment I try to ignore... it'll only be more time... before we see (we'll see)... if your future includes me (we'll see)... baby you got to know

Your my favorite girl I know... we don't have title... every night I am thinking bout the time we spent... why does it have to end so soon babe... bottom line is I will be... come roll with me in vip... we'll see if your future includes me... baby you got to know

Girl I know you hearing from your friends (I know babe)... don't know my intentions... but then again it never been in a situation... like the one we have here at hand (I know babe)... how about we just see (we'll see)... if your future includes me (we'll see)... baby you got to know

Your my favorite girl I know... we don't have title... every night I am thinking bout the time we spent... why does it have to end so soon babe... bottom line is I will be... come roll with me in vip... we'll see if your future includes me... baby you got to know
