

## Just A Rolling Stone (Interlude)

Donnie Klang

Ohh yea (7x)

Ohhhhh (7x)

If I had a dime  
Every girl I thought was fine  
I would be a millionaire

But I really don't care  
What good is it if I'm alone?

If I'm alone...  
Guess I'm just a rolling stone...

You might be the one I've been looking for  
Guess I'm just a rolling stone

You might be the one I've been looking for.

If I had a dime  
To come around and change my life (change my life)  
If it's caught on what shade it is  
Start all over again  
Nobody wants to be alone (Nobody wants to be alone) (Be alone)

Guess I'm just a rolling stone...  
You might be the one that I've been looking for. (2x)

You might be the one... I've been waiting for and waiting all  
day  
You might be the one... that I've been waiting for...  
You might be the one to slow down a rolling stone.

[Chorus]
