

# You Make Me Feel

Donnie Klang

[Verse 1:]

I can't explain  
Don't understand but everyday I think about you  
You're the one and it's for real  
There ain't no words it's just how I feel  
Deep down inside and I can't hide the way you make me feel so high

[Chorus:]

And I cannot deny  
You make me feel...  
Like a kid in a candy store  
You make me feel...  
Like I've never been here before  
You make me feel...  
Everyday is my birthday  
You makin' feel this way  
You make me feel...  
Like I just won the lottery  
You make me feel...  
Like I'm chanin' my ensame  
And I thought about  
Never thought I'd feel this way  
You make me feel

[Hook:]

I'm gunna come get you I can't get you outta my mind  
I'm gunna come get you girl I gotta make you all mine

[Verse 2:]

I get butterflys everytime  
I stare deep into those eyes  
Maybe I'm helpless or I'm just selfish  
Cause I want you all too myself  
Oooh what I'll give to make you mine  
There's nothing that I would not try  
And that's the reason why  
You make me feel...

[Chorus:]

Like a kid in a candy store  
You make me feel...  
Like I've never been here before  
You make me feel...  
Everyday is my birthday  
You makin' feel this way  
You make me feel...  
Like I just won the lottery  
You make me feel...  
Like I'm chanin' my ensame  
And I thought about  
Never thought I'd feel this way  
You make me feel

[Verse 3:]

I'm gunna come get you I can't get you outta my mind  
I can't help my hearts like an open book  
Won't you take a look

Cause' it ain't hard to see that you got me  
OH NA  
Baby... the way you got me feelin' is kinda  
Crazy... what you got is what I need  
I'm lovin' everything I see  
We fit perfectly  
Cause...

[Chorus:]

You make me feel...  
Like a kid in a candy (ohh)  
You make me feel...  
Like I've never been here before (mmm)  
Everyday is my birthday  
Everyday is my bithday (yeah) feel this way  
I said you make me feel...  
Like I just won the lottery (oh like I just won the lottery)  
Like I'm changin my ensame  
And... I thought about never thought I'd feel this way  
You make me feel...
