

## Home Someday

Donnie McClurkin

Just a little while just a little while to stay here yeah  
just a little while just a little while to wait  
to wait to wait  
just a little while, little while neighbor...  
when i get through im gonna be home someday..  
oh oh oh when i get though im gonna be home someday.

Just a little more just a little more struggle  
in this low and sinful state...  
just a little more few more days of trouble  
when i get through im gonna be home someday [x2]

Let me tell you bout the gates of pearl and the streets of gold  
in another world where we will never grow old  
and the reason we srent so stint fast stole  
because when we get through we're gonna be home someday [x2]

I can hardly wait hardly wait hardly wait, home someday  
yea oh my oh my lord yea

when we get through, gonna be home someday when we get through  
home someday  
many alot when then is gone on before, said is so bright and pa  
n peace forever more  
but my savior is waiting there and he the one i adore.  
when we get through we're gonna be home someday [x2]

just a little while just a little while long  
we gonna be home someday

everybody say yes, yes! we're gonna be home someday  
yes im gonna be home someday [x4]
