

I Am

Donnie McClurkin

Verse 1

Come now and see this mystery.
Remove your shoes, bow down,
where you stand right now is holy ground.
The fire burns, sit at my feet and learn,
as I reveal my plan, and I tell you who I am.

Chorus

I am, I am,
I'm the God of Abraham, Isaac and Jacob.

I am, I am,
and I've chosen you to set my people free;
go now and set them free.

Verse 2

Some will not hear, others will fear,
because the enemy has said
before I let them go I'd rather see them dead.
But in that hour, I will reveal My power through you,
so that all may see and when they ask you,
tell them what you know of Me.

Chorus

Bridge

I give you a heritage
and I give you privilege,
more than anyone
You will know my way
I will come and speak with you
I will always be with you
Don't you fear
Know that I will be right here

Chorus
