Let The River Flow

Donnie McClurkin

```
Let the river flow
Let the river flow
Let the river flow
And refresh my soul
Let the river flow
Let the river flow
Let the river Flow
And refresh my soul
Flow living water (Flow living water)
The water of life
Flow living water (Flow living water)
Flowing over me
Let the river flow
Let the river flow
Let the river flow
And refresh my soul
```
