

# Search Me Lord

Donnie McClurkin

Chorus:

Search me, Lord  
Search me, Lord  
(Here's what I want You to do)  
Shine the light from heaven on my soul  
If You find anything that shouldn't be  
Take it out and strengthen me  
'Cause I wanna be right  
I wanna be saved  
And I wanna be whole

Repeat Chorus:

While I'm down here praying  
Lord, search my heart...  
While I'm down here praying  
Lord, search my heart...  
While I'm down here praying  
Lord, search my heart...  
Because You know  
Whether I'm right or wrong

Repeat Chorus:

Every day, every way  
I wanna be right  
I wanna be saved  
I wanna be whole

I'm calling on You, Jesus  
(You're the only one that can save me, Jesus)  
I don't wanna live this way  
I want You to make me over again

In my mind, my heart  
My soul, yes, God, every part  
The way that I walk, and I talk  
The way I live and the way that I give  
You know my thoughts  
You know the secret of every fault  
(Every part of me You know, Good God)

Good God, I want You to make me clean  
Make me whole deep down within  
I just wanna be right...

Everyday that i'm living, Lord  
Everything that I'm trying to do

I want You to wash me in Your blood  
Take away my every blot and stain  
My iniquities, make them whiter  
Whiter than snow right now, I pray

Getting down on my knees  
And I'm crying from my heart  
Good God, I don't wanna live this way

So help me, help me out today

Jesus, I need You  
Come on, take control of my life  
Please, take away my sin  
Only You can do it, Lord  
I trust You with my whole heart  
I believe You're gonna do it for me...
