Back Together Again

Donny Hathaway

Seems we've weathered Hard times we've been through In silence I've waited I missed you (I missed you too)

'Cause you, you and I back together again Got the world in a spin 'Cause you, you and I back together again Got the world in a spin

It's all come together Problems we've defeated And I'm in here out in hell You take all that I got and you need it, baby

'Cause you, you and I-I-I back together Got the world in a spin You, you and I-I-I back together Got the world in a spin

Love will last forever (Forever) We can make it real (Got to be real) Say you'll leave me never (No, no, never) We can truly feel (What you feel) I feel like you Back together Yeah, yeah, yeah

Younger and wiser Time has shown the way We've come full circle To stay (Baby)

'Cause you, you and I-I-I back together again Got the world in a spin 'Cause you, you and I-I-I back together again Got the world in a spin

Truth is the light It's the joy that we both share Make love day and night It's so easy to do when you care

Love will last forever (Forever) We can make it real (Got to be real) Say you'll leave me never (No, no, never) We can truly feel (What you feel) I feel like you Back together

Doo doo doo doo doo Doo doo doo doo yeah Doo doo doo doo Doo doo doo yeah Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh Back together again
