Magdelena

Donny Hathaway

Magdalena sits in her chair Speaking on the mass She talks in splice and splinters She laughs not breaking glass She said that she would have me Spirit her away Stealing all my images Till there's nothin' left to say

Oh, magdalena Nothing like the saint you are Your love is like a razor My heart is just a scar Oh, magdalena Nothing like the saint you are

She tells me that she wants me Then she tells me not to bother She tells me that I couldn't hold A candle to her father She knows that she's got me When I start to rave about She'll justsmile and flash her eyes And blow the candle out

Oh, magdalena Oh, ho, ho, magdalena Nothing like the saint you are

Magdalena lying there Could make a dancer stumble Make a preacher bite his tongue And leave him with a mumble And if you think I'm crazy babe Or that I'm kiddin' you Just pay your dues and lose your blues When she gets her tongue in you

Oh, magdalena Nothing like the saint you are Your love is like a razor My heart is just a scar Oh, magdalena Nothing like the saint you are

Well, I can't be forgotten And I can't be ignored You find me with my poems And my songs But if upon your journey You're turning to l.a. Won't you take this little Red-haired girl aong?

Oh, magdalena Nothing like the saint you are Your love is like a razor My heart is just a scar Oh, magdalena Nothing like the saint you are
