The Closer I Get To You

Donny Hathaway

The closer I get to you The more you make me see Like giving me all you got Your love has captured me

Over and over again I try to tell myself that we Could never be more than friends And all the while inside I knew it was real The way you make me feel

Lying here next to you Time just seems to fly Needing you more and more Let's give love a try

Sweeter than sweeter love grows And heaven's there for those Who fool the tricks of time With the hearts in love you find True love In a special way

The closer I get to you The more you make me see By giving me all you got Your love has captured me

Over and over again I try to tell myself that we Could never be more than friends And all the while inside I knew it was real The way you make me feel

The closer I get to you The more you'll make me see By giving you all I got Your love has captured me

The closer I get to you The feeling comes over me (me too) Pulling closer Sweet is the gravity!
