Where Is The Love

Donny Hathaway

Where is the love (where is the love) Where is the love (where is the love) Where is the love (where is the love) Where is the love

Where is the love you said you'd give to me Soon as you were free Will it ever be Where is the love?

You told me that you didn't love him And you were gonna say goodbye But if you really didn't mean it Why did you have to lie?

Where is the love you said was mine all mine Till the end of time Was it just a lie Where is the love

If you had had a sudden change of heart I wish that you would tell me so Don't leave me hanging on to promises You've got to let me know

Oh, how I wish I'd never met you I guess it must have been my fate To fall in love with someone else's love All I can do is wait (That's all I can do, yeah yeah yeah)

Where is the love (where is the love) Where is the love (where is the love) Where is the love (where is the love) Where is the love (where is the love)

Where is the love (where is the love) Where is the love (where is the love) Where is the love (where is the love) Where is the love (where is the love)

Where is the love (where is the love)
