

# A Little Bit Country A Little Bit Rock 'n Roll

Donny Osmond

I'm a little bit country  
And I'm a little bit rock 'n roll  
I'm a little bit of Memphis and Nashville  
With a little bit of Motown in my soul  
I don't know if it's good or bad  
But I know I love it so  
I'm a little bit country  
And I'm a little bit rock 'n roll

He's a little bit gentle, he's a little bit runnin' wild  
She's a little bit of fullgrown-  
woman, she's a little bit of child  
Don't know if I'm happy or sad  
My music makes me whole  
I'm a little bit country  
And I'm a little bit rock 'n roll

I like that peaceful easy feeling of a laid back country song  
And when I sing my rock n' roll, I can sing it all night long  
I love my country with all my heart and soul  
I go out on Saturday night for a little bit of rock 'n roll  
I know I'm goin' to feel alright  
No matter where I go  
With little bit of country  
And a little bit of rock 'n roll

I like that peaceful easy feeling of a laid back country song  
And when I sing my rock n' roll, I can sing it all night long  
I love my country with all my heart and soul  
I go out on Saturday night for a little bit of rock 'n roll  
I know I'm goin' to feel alright  
No matter where I go  
With little bit of country  
And a little bit of rock 'n roll

We're a little bit country  
We're a little bit rock 'n roll
