

# Could It Be I'm Falling In Love

Donny Osmond

Could I be right, could I be right 'bout you, baby?  
Could I be right, could I be right for sure?  
Could I be right, could I be right 'bout you, baby?

Since I met you I've begun to feel so strange  
Every time I speak your name  
You say that you are so helpless too  
That you don't know what to do

Each night I pray there will never come a day  
When you up and take your love away  
Say you feel the same way too and I wonder  
What it is I feel for you?

Could it be I'm falling in love?  
Could it be I'm falling in love?  
Could it be I'm falling in love with you?  
With you, with you

I don't need all those things that used to bring me joy  
You made me such a happy boy  
And honey, you'll always be the only one for me  
Meeting you was my destiny

You can be sure I will never let you down  
When you need me I'll be around  
And you'll always be the only one for me  
Heaven made you specially

Could it be I'm falling in love?  
Could it be I'm falling in love?  
Could it be I'm falling in love with you?  
With you, with you

With you, babe  
Could I be right, could I be right 'bout you, baby?  
Could I be right, could I be right for sure?  
Could I be right, could I be right 'bout you, baby?

I'm in love with you, baby  
Every time I see you  
I'm in love with you, baby

Could it be I'm falling in love?  
Could it be I'm falling in love?  
Could it be I'm falling in love with you?  
With you, with you

With you, with you, with you
