## **Too Young**

## **Donny Osmond**

They try to tell us we're too young Too young to really be in love They say that love's a word A word we've only heard But can't begin to know the meaning of

And yet we're not too young to know This love will last though years may go And then some day they may recall We were not too young at all

And yet we're not too young to know This love will last though years may go And then some day they may recall We were not too young at all
