Tell me something i haven't heard before  
Gimme what i need, something worth dying for  
Nothing's  
Ever  
Good enough  
For me  
I'm always  
Complaining  
A set of lungs  
A pair of fists  
A pointed finger  
So gimme gimme gimme anything  
It's not enough when it's for free  
So c'mon c'mon gimme everything  
I gotta have it all, i want it all, just for me  
One way ticket, have it all or nothing,  
Watch me take off, i'm leaving you all for good  
Someday  
I'll be  
Good enough  
For you  
You will  
Comprehend me  
No one could ever  
Bear the weight  
That's on my shoulders  
So gimme gimme gimme anything  
It's not enough when it's for free  
So c'mon c'mon gimme everything  
I gotta have it all, i want it all, just for me  
Just for me, just for me...  
So gimme gimme gimme anything  
It's not enough when it's for free  
(It's never quite enough)  
So c'mon c'mon gimme everything  
I gotta have it all, i want it all, just for me  
No one could ever  
Bear the weight  
That's on my shoulders  
No one could ever  
Bear the weight  
That's on my shoulders, my shoulders  
No one could ever  
Bear the weight  
That's on my shoulders
