

# Cheap Way Out

Donots

yeah!  
why do you rain on my parade?  
you can't afford to be self-righteous  
you don't know my name  
I can't stand your random acts of hate  
looks like you're on some kind of mission  
do you just play a game?  
anger's such a precious gift woood  
don't you go and squander it  
and I said  
hey now - what a cheap way out  
you keep everything out of your sight  
but don't knock it until you've tried  
(who decides what's wrong or right?)  
hey now - what a cheap way out  
I said hey now, I said hey now  
I guess we all need attention  
and everybody begs to differ  
it makes us all the same  
so point your finger, I'm to blame  
does it make you feel much better, big boy?  
you're a crying shame  
anger's such a precious gift woood  
don't you go and squander it  
hey now - what a cheap way out  
you keep everything out of your sight  
but don't knock it until you've tried  
(who decides what's wrong or right?)  
hey now - what a cheap way out  
I said hey now, I said hey now  
the cheap way out  
the cheap way out  
the cheap way out  
the cheap way out  
why do you rain on my parade?  
you can't afford to be ...yeah!  
hey hey  
alright  
so I said  
hey now - what a cheap way out  
you keep everything out of your sight  
but don't knock it until you've tried  
(who decides what's wrong or right?)  
hey now - what a cheap way out  
I said hey now, I said hey now  
the cheap way out, the cheap way out
