

Hours Away

Donots

Hold on to what you believe
Youçfñe more than they can perceive
Hold out - my angel Içfñ sure that youçfñl see better days
Içfñl be here whenever you need to unwind
Come see me and I hope that you will find that itçfñ not so bad
Cause everything will soon fall into place
Sometimes it may take some time until you finally rise and shine
If you learn to wait youçfñe only hours away
Sometimes it may take some time
But in the end youçfñl be alright
This is just a phase
Youçfñe only hours away
Hey you - itçfñ not too late Itçfñ okay - youçfñe on your way
Içfñl be right by your side
Wonçfñ let life pass you by
And if you should ever need more time I promise that you can have all of mine
So donçfñ be sad, cause everything will soon fall into place
Sometimes it may take some time
But I know things will turn out right
And youçfñe not too late
Youçfñe only hours away
And everybody gets a second chance
Another song to dance
So keep your faith
Cause time has itçfñ own strange way (has itçfñ own way)
Yeah, everybody gets a second chance
Another song to dance
Içfñ proud of everything you do
Youçfñe only hours away
Sometimes it may take some time
There ainçfñ no need to feel resigned
If you keep your grace
Youçfñe only hours away
