

I Don't Wanna Wake Up

Donots

Oh, you would never say you love me
I guess somehow I always knew
That you would never leave me lonely
Despite the things you put me through
So keep it coming, keep it coming
But I don't wanna wake up all alone
You're my love, my life, my friend
and you're my home
Said I don't wanna wake up all alone
You're my heart, my family, my place to go
No, you don't need to say you love me
I know you'll always swing and sway
Go on and walk your walk without me
As long as you don't turn away
Just keep it coming, keep it coming
But I don't wanna wake up
Said I don't wanna wake up
I don't wanna wake up
No I don't wanna wake up
