

## Next To You

Donots

I can't stand it for another day  
When you live so many miles away  
Nothing here is gonna make me stay  
You took me over, let me find a way  
I sold my house, I sold my motor too  
All I want is to be next to you  
I'd rob a bank, maybe steal a plane  
You took me over, think I'm goin' insane  
What can I do  
All I want is to be next to you  
What can I do  
All I want is to be next to you  
I've had a thousand girls or maybe more  
But I've never felt like this before  
But I just don't know what's come over me  
You took me over, take a look at me  
What can I do  
All I want is to be next to you  
What can I do,  
All I want is to be next to you  
All I want is to be next to you  
All I want is to be next to you  
All I want is to be next to you  
So many times I used to give a sign  
Got this feeling, gonna lose my mind  
When all it is is just a love affair  
You took me over baby, take me there  
What can I do  
All I want is to be next to you  
What can I do  
All I want is to be next to you  
What can I do  
All I want is to be next to you  
What can I do  
All I want is to be next to you  
What can I do  
All I want is to be next to you
