

This Is Not A Drill

Donots

Disconnect
Take it back now
Have it my way and
Bet it all on black now
Hit or miss me
Kill or kiss me
Are you in or out?
Tell me, are you with me?
Time to walk my way
I can't wait another day
C'mon, i want you by my side
So testify, testify
And don't you turn away
Cause this is my last will
And this is not a drill
Disconnect
Take it back
Take it slow now
And let yourself go
Hate or love me
Do it to me
Hear me out
Don't you turn your back on me
Time to walk my way
I can't wait another day
C'mon, i want you by my side
So testify, testify
And don't you turn away
Cause this is my last will
And this is not a drill
Out with the old, in with the new
Out with the old, in with the new
Time to walk my way
I can't wait another day
C'mon, i want you by my side
So testify, testify
And don't you turn away
Cause this is my last will
And this is not a drill
