

Wake The Dogs

Donots

Wake the dogs
Spill the water drop by drop
Gotta smash it up
Hit me like an uppercut again
And I'll wake you up
You're gonna need another buzz
Yeah, I'll pick the lock
I'll crash the gates and then I'll knock at your door
Wake the dogs (ayayayaaa!)
Wake the dogs (ayayayaaa!)
Wake the dogs (ayayayaaa!)
Cause that's our drop and we'll knock knock knock
Wake the dogs
Eyes wides hut
Like it's always 6 o'clock
The bombs about to drop
Are we swimming belly up in the end?
Cause you've been locked out, blocked out, what do you do?
I've been knocked out cold, what is it to you?
Let's wake the dogs
Crash the gates and then we'll knock knock knock
Wake the dogs (ayayayaaa!)
Wake the dogs (ayayayaaa!)
Wake the dogs (ayayayaaa!)
Cause that's our drop and we'll knock knock knock
Wake the dogs
Cause you've been locked out, blocked out, what do you do?
I've been knocked out cold, what is it to you?
Wake the dogs (ayayayaaa!)
Wake the dogs (ayayayaaa!)
Wake the dogs (ayayayaaa!)
Cause that's out job so hit me up
Wake the dogs (ayayayaaa!)
Wake the dogs (ayayayaaa!)
Wake the dogs (ayayayaaa!)
Cause that's our drop and we'll knock knock knock
Wake the dogs
