

# We Got The Noise

Donots

You ready? One two three four!  
the kids, the sound, the passion  
we got our hopes, we have our say  
no rules, no fakes, no fashion anyway  
the friends, the fun, the meaning  
we're gonna have it our own way, oh-oh  
the sweat, the blood, the feeling  
we came here to play  
cause we got the noise  
Whooooooooaaaaa whooooooooaaaaa  
we got the noise so here we go  
Whooooooooaaaaa whooooooooaaaaa  
this is our voice, this is our show  
Whooooooooaaaaa whooooooooaaaaa  
all you boys, all you girls, put it on, turn it up  
Whooooooooaaaaa whooooooooaaaaa  
we got the noise and we don't stop  
the bored, the scarred, the broken  
together we will take a stand  
the life, the choice, the moment's in our hand  
the time (the time!), the place (the place!)  
the message that we try to send, oh-oh  
create (create!), take action, make your demands  
make your demands now  
Cause we got the noise  
Whooooooooaaaaa whooooooooaaaaa  
we got the noise so here we go  
Whooooooooaaaaa whooooooooaaaaa  
this is our voice, this is our show  
Whooooooooaaaaa whooooooooaaaaa  
all you boys, all you girls, put it on, turn it up  
Whooooooooaaaaa whooooooooaaaaa  
we got the noise, c'mon let's go  
we got the noise (whooooooooaaaaa)  
we got the noise (we got it, we got it)  
we got the noise (whooooooooaaaaa)  
we got the noise and we don't

let our friends down  
rest in silence  
we amplify and get around  
cause we got the noise  
Whooooooooaaaaa whooooooooaaaaa  
we got the noise so here we go  
Whooooooooaaaaa whooooooooaaaaa  
this is our voice, this is our show  
Whooooooooaaaaa whooooooooaaaaa  
all you boys, all you girls, we just want you to know  
Whooooooooaaaaa whooooooooaaaaa  
we got the noise, c'mon let's go  
we got the noise (we got it, we got it) (4x)  
we got the noise (whooooooooaaaaa) (3x)  
we got the noise (we got it (7x))
