

You Cannot

Donots

at war with honesty
so whats your stradegey ?
you ought to learn how to
confront yourself
before you fight somebody else (yeah)
admit your ignorance
if you can?t understand
then you should learn when its
better to shut your mouth
so please dont speak
when you are not allowed
you cannot speak
with your tongue cut out
You cannot
so leave it
its not your
business
(you are not asked out it out, yeah)
You cannot
so leave it
its not your
business
(we dont want to know about you)
it takes integrity
so whats it gonna be ?
a stupid comment
or another lie
your narrow mind makes me wanna cry (yeah)
admit your ignorance
man, you dont understand
you cant distinguish
between wrong or right
youve already lost
before you started the fight
you cannot wring my neck
when your hands are tied
You cannot...
so whats its gonna be ?
Tell Me
You cannot ...
