

# Atlantis

Donovan

The continent of Atlantis was an island  
Which lay before the great flood  
In the area we now call the Atlantic Ocean.  
So great an area of land, that from her western  
shores, those beautiful sailors journeyed  
to the South and the North America with ease,  
in their ships with painted sails.  
To the east Africa was a neighbor across  
a short strait of sea miles.  
The great Egyptian age is but a  
remnant of the Atlantian culture.  
The antediluvian Kings colonised the world;  
All the Gods who play a part in the  
mythological dramas in all legends  
from all lands were from fair Atlantis.  
Knowing her fate, Atlantis sent out ships  
to all corners of the earth.  
On board were the twelve, the poet,  
the physician, the farmer, the scientist,  
the magician, and the other  
so called Gods of our legends.  
Tho' Gods they were! And as the elders  
of our time choose to remain blind,  
let us rejoice and let us  
sing and dance and ring in the new.

Way down below the ocean  
where I wanna be  
she may be

Way down...
