

## Aye My Love

Donovan

Though you say that the sorrow is all yours  
And the pleasure is mine  
Once we were, now we're not together here,  
I'm not half as happy.

Aye, my love, it's hard, my love,  
Be strong, my love, be strong.

Though you say that the sorrow is all yours  
And the pleasure is mine  
Once we were, now we're not together here,  
I'm not half as happy.

Aye, my love, it's hard, my love,  
Be strong, my love, be strong
