

## Fishes in Love

Donovan

The FISHES are IN LOVE with the water  
The birds are in love with the air  
he rain's in love with the flowers  
And there's music averywhere.

The clouds are in love with the mountain  
The trees are in love with the hill  
Dad's in love with his countin'  
An Mum's in love with the pill

la, la, la, la, la, la, la, la, la.
