

Happiness Runs

Donovan

Little pebble upon the sand
Now you're lying here in my hand
How many years
Have you been here?
Little human upon the sand
From where I'm lying
Here in your hand
You to me are but a passing breeze
The sun will always, shine where you stand
Depending in which land
You may find yourself
Now you have my blessing, go your way
Happiness runs in a circular motion
Thought is like a little boat upon the sea
Everybody is a part of everything anyway
You can have everything if you let yourself be
Happiness runs, happiness runs
Happiness runs, happiness runs
Happiness runs, happiness runs
Happiness runs, happiness runs
Happiness runs in a circular motion
Thought is like a little boat upon the sea
Everybody is a part of everything anyway
You can have everything if you let yourself be
Happiness runs, happiness runs
Happiness runs, happiness runs
Happiness runs, happiness runs
Happiness runs, happiness runs
Happiness runs in a circular motion
Thought is like a little boat upon the sea
Everybody is a part of everything anyway
You can have everything if you let yourself be
Happiness runs, happiness runs
Happiness runs, happiness runs
Happiness runs, happiness runs
Happiness runs, happiness runs
Why? Because
Why? Because
Why? Because
Why? Because
Happiness runs in a circular motion
Thought is like a little boat upon the sea
Everybody is a part of everything anyway
You can have everything if you let yourself be
You can have everything if you let yourself be
You can have everything if you let yourself be
You can have everything if you let yourself be
You can have everything if you let yourself be
You can have everything if you let yourself be
You can have everything if you let yourself be
You can have everything if you let yourself be
You can have everything if you let yourself be
You can have everything if you let yourself be
You can have everything if you let yourself be
You can have everything if you let yourself be
You can have everything if you let yourself be
You can have everything if you let yourself be
