

# I Love My Shirt

## Donovan

Do you have a shirt that you really love,  
One that you feel so groovy in?  
You don't even mind if it starts to fade,  
That only makes it nicer still.

I love my shirt, I love my shirt,  
My shirt is so comfortably lovely.  
I love my shirt, I love my shirt,  
My shirt is so comfortably lovely.

Do you have some jeans that you really love,  
Ones that you feel so groovy in?  
You don't even mind if they start to fray  
That only makes them nicer still.

I love my jeans, I love my jeans,  
My jeans are so comfortably lovely.  
I love my jeans, I love my jeans,  
My jeans are so comfortably lovely.

When they are taken to the cleaners,  
I can't wait to get them home again.  
Yes, I take 'em to the cleaners  
And there they wash them in a stream.  
Scrub a rub dub dub  
And there they wash them in a stream -  
Know what I mean.  
Do you have some shoes that you really love,  
Ones that you feel so flash in?
