

Lord of the Universe

Donovan

I'm the Lord of the Universe, it's best you don't mess with me
I'm the Lord of the Universe, it's best you don't mess with me.

I'm above and below, I'm in your little toe
I'm everywhere you happen to go
I'm within, I'm without though fools often doubt
When they try working me out.

I'm the Lord of the Universe, it's best you don't mess around with me
I'm the king of the king of the Universe, baby, it's best you don't mess with me.

I never live and I never die
It's all the same to me, oh can't you see?
'Cause I'm the Lord of the Universe, it's best you don't mess with me
'Cause I'll stomp on you.

I can freeze your sea, I can burn your tree
I'm everywhere you happen to be
I'm in the North and I'm in the South
I'm in your sweet honey dripping mouth.

Oh, I'm the Lord, I'm the Lord of the Universe, life force is my name
Yes, I'm the Lord, yeah I'm the Lord, I'm the Lord of the Universe, it's best you don't mess with me
I said it's best you don't mess around with me.

You know, I love you, to me you're so dear
That's why, please, please, please, don't mess with me
You know you don't mess with me.

Ooh, ooh yeah, I love you, don't you love me?
If you do, please, don't mess with me.
