

Moon Rok

Donovan

Loosen up a little like a vinyl man
Do the ticky tocky like an automaton
Flash a little glitter from your freaky eye
Sock it like a rocket in a purple sky.

Moon Rok man, do the Moon Rok man
Do the Moon Rok man with your Moon Rok gal.

Do the wormy wiggle wiggle 'round and 'round
Palpitate and levitate, leave the ground
Lose a little juice from your Venus mound
Thrust a little lust, a little count me down.

Do the Moon Rok man, do the Moon Rok gal
Do the Moon Rok man with your Moon Rok gal.

(Count down) 10
(Count down) 9
(Count down) 8
(Count down) 7
(Count down) 6 - 5 - 4 - 3 - 2 - 1.

Moon Rok man, do the Moon Rok gal
Do the Moon Rok man with your Moon Rok gal.

Spin-a-like-a-gyroscope upon a string
Move-a-like-a horoscope a planet ring
Do the probe, feel the strobe and slowly bend
Phaze-her-with a lazer and amaze your friends.

Moon Rok man, do the Moon Rok gal
Do the Moon Rok man with your Moon Rok gal.

Do the Moon Rok man with your Moon Rok gal
Do the Moon Rok man with your Moon Rok gal
Do the Moon Rok man (with your Moon Rok gal)
Do the Moon Rok man (with your Moon Rok gal)
Do the Moon Rok man (with your Moon Rok gal)
Do the Moon Rok man (with your Moon Rok gal)
